

welcome
to solvup!

solvup is a retail fault handling platform connecting Retailers and Repairers across Australia and New Zealand providing a single point of contact for end-to-end repair and return management.

There are currently over **2000** repair agents just like you who are enjoying the benefits of solvup, which includes;

- **Cost Saving Benefits**
- **Improved Customer Experience**
- **Increased Efficiency**

To be one of the ever growing number of repairers taking advantage of this FREE service simply follow these two steps:

1. Send a quick email to repairs.support@solvup.com to request a username and password.
2. Visit <https://apps.solvup.com> and complete your agent profile.

From there on, your business will appear on solvup as an Authorised Repairer for Retailers to select for customer product returns.

To learn more about solvup and the benefits on offer to you, please visit <https://solvup.com> or contact us on 1800 653 299 (option 2).
